

How to Use Text Giving

- Simply text the word GIVE to our church's Text Giving Number.
- If it's your first time, you'll be prompted to click a link sending you to the online giving page. There you will enter the donation amount and payment information before completing your gift.
- If you've given before, you can give immediately without having to re-enter any of your information. If you just text the amount and click send, the funds will be sent to the last Fund in which you donated.
- If you wish to give to a specific fund, you'll just simply text the desired amount then the Keyword to the text giving number.
Ex: 250 tithe for \$250.00 to the Tithe fund.
